Respond to the following prompts in essay form. Include as much thought and detail as you see fit.

Tell us a little about yourself and your academic goals, and describe how this scholarship would help you achieve these goals.

What have you learned about yourself over the past years you've been a student?

What is something that you've never gotten the chance to learn or experience, but are really interested in?

If you had the opportunity to change your community in a positive way, what changes would you make?

What is the craziest or most important thing on your "Bucket List"? Offer details about how it got onto your list, why it's important to you, etc.

BONUS QUESTION: Answer in one sentence. You just reached your millionth like on your Instagram post, what is it a picture of?
